1. On the home screen of the iPhone, press **Settings**

2. On the **Settings** screen, press **Mail, Contacts, Calendars** (you may have to scroll down)
3. On the **Mail, Contacts, Calendars**, press **Exchange** account

4. On the **Exchange** screen, press **Account** (where your email is listed)
5. On the **Account** screen, make sure the server is **webmail.ua.edu**. Then click **Done** in the right top corner.
